CANTON, N. C.

PREFACE

Canton is located in the Western part of North Carolina in the heart of the Great Smoky Mountains, and in the East Central section of Haywood County on Highway U, S. 19 at Junction of State Highway 284, going to Pisgah and the Pink Beds.

The city is protected from extreme temperature in winter and summer by the nearby mountain peaks that rise thousands of feet in height. It enjoys a year round climate that is unexcelled anywhere. The difference between the mean July temperature and that of January is only 33.5 degrees, while the difference between the annual mean temperature and that of July is only 17 1 degrees. Canton is also protected from the storms of the Middle Western Plains. The summer nights are cooled by the mountain breezes and the temperature frequently ranges as low as 20 degrees lower than that of midday.

The average date last killing frost in spring is April 15th; average date first killing frost in fall is October 20th.

GOVERNMENT

The Town of Canton has been under the Commission form of Government since its incorporation. There is a Mayor and three members of the Board of Commissioners. An efficient police force is maintained, and the town is protected from fire by a volunteer department.

The Town of Canton was first known as Pigeon Ford, until 1891, when it was incorporated as "Pigeon River," and in 1905 charter was amended to "Town of Canton."

EDUCATION AND RELIGION

The Town of Canton has six substantially built schools, five graded and one High School, all for white, and one colored school, (all having the highest state rating), and a number of churches representing the following denominations: Methodist, Baptist, Presbyterian, Episcopal, and Holiness. These are also three churches for colored.

Recreational and vocational training can be obtained through the Champion Y. M. C. A. There is a Branch of Columbia University located near Canton known as the New College Community.

RECREATIONAL

Within a radius of a few miles is located Lake Junaluska, the vacation and conference center of the South for Southern Methodists, and Lake Logan, where large acreage is given over to hunting and fishing, general camping and outings. Camp Hope, which has been operated by the Champion Y. M. C. A. for several years, and which is located within a few miles of Canton, is now being reconstructed with an approximate expenditure of $8,000 to $10,000, which when completed will undoubtedly be the best camp in this section of the state and will be under the supervision of the

Champion Y. M. C. A., which has the second largest membership in the state.

INDUSTRY

Canton is essentially the "Home of Industry." It has within its boundaries one of the largest pulp and paper plants in the world, owned and operated by the Champion Paper & Fibre Company. The daily output of this plant is over three hundred tons of pulp, paper and board. In addition the plant also produces tanning extracts, caustic soda, turpentine, So-Hi, and adhesives. Mineral resources are rich and varied. Chief among these is Kaolin, Feldspar. Gold, silver and copper ores are found in the county. A large supply of lumber for industrial uses is available from the surrounding forests and within easy reach of Canton.

FARMING AND MARKETING

The country surrounding Canton has many excellent farms and orchards, and a large number of dairies, which rate very high. A ready market is available for all farm and dairy products in this section.

TRADE AND COMMERCE

Canton is the trading center of approximately 10,000 people living in Haywood and adjoining counties. The county population is 28,273, of which 27,503 is white and 695 negro. The labor supply of Canton is high class workers, intelligent, tractable, readily trained, and are 98 per cent native.

WATER AND TRANSPORTATION

The water supply of Canton is derived by gravity from mountain springs and streams. This water is of the finest quality, and is unlimited and dependable. However, for emergencies a new pressure and pump filter plant is now being completed at an approximate cost of $100,000, which is capable of furnishing a daily output of two million gallons of water daily. This water shows an analysis of approximately 100 percent pure.

Canton is served by the Southern Railway, which has been here since about 1887. There are four passenger trains daily through Canton, and a complete system of paved highways, assuring up-to-date bus and freight transportation.

CIVIC ORGANIZATIONS

Canton has a number of civic and fraternal organizations, including the Chamber of Commerce, the Civitan Club, Y's Mens Club, Y. M. C. A., The American Legion, the American Legion Auxiliary, The Senior Woman's Club, The Junior Woman's Club, The American Red Cross, the Masons, Juniors, Dokies, and Odd Fellows, 30th Signal Company of the National Guards.

Hydro-electric power for the use of Canton and its industries is supplied by the Carolina Power & Light Company. This company is a unit in one of the great Southern "super-power" systems, its lines being inter-connected with those of other large producers of hydro-electric power. They have located at Canton one of their

City Fathers Plan To Effect Many Improvements

Farmers Urge That Smith Be Retained As County Farm Agent

Leading Farmers Present Petition To Commissioners

Demand That County Commissioners Refused To Retain Smith Because He Declined To Donate $300 To Democratic Campaign

Waynesville—That the county commissioners have refused to retain W. D. Smith county farm agent because he declined to contribute $300 to the Democratic campaign fund in 1936 is currently reported and believed by 95 per cent of the farmers, according to W. B. Francis, who spoke to the largest Monday meeting on Mr. Smith's behalf

Fully 300 farmers were on hand Monday, bringing a private survey of 1 200 country people on-to the commissioners to protest Mr. Smith. Mr Francis presented the petition to the board in a talk in which he eulogized Smith and called upon many of those present to tell how the people of their communities felt about it. Every one who spoke said that the people were for Smith 95 to 99 per cent in favor of reelecting Mr. Smith Crabtree and Iron Duff townships are 150 per cent for him they said.

Among the many reasons presented by Mr. Francis and others for retaining Mr Smith were the building up of the dairy industry the sponsoring of the growing of soy-bean crops, the improvement of the forest tract cattle and shoats, and the general improvement of land of farmers of the last ten years, all of which is due to Smith.

All of the county commissioners, J. A. Lowe, J. W. Allison, Y. B. Morris, C. C. Medford, R. T. Byers, Glenn Palmer and Connie C. Christensen, present and gave attentive attention to what was said.

At a meeting of the board the first Monday in June, W. Ridge Palmer, a son of one of the commissioners, was elected Lake agent. Mr. Sawyer was not a candidate and refused to accept Mr. Smith, complained, has made an statement as to whether or not he would accept now if the office should be offered him. The commissioners Monday morning in his favor was voluntary. The board adjourned without taking any action.

Mr. Smith has been the farm agent four years and almost every household he would be the county.

Tax Collections To Be Enforced

Enforcement of collection of all taxes owed to the State of North Carolina and the Canton Graded School District for the year 1936 and any year prior thereto, will be made after the 15th of July, according to instructions from the Haynes and Board of Additional Assessment by the tax collector has been issued.

Legal action and sale of property subject to taxes owed will be started against those delinquent, and by the end of August property is being sold under.

All persons owing taxes are urged to make payment before the 15th of next month, in order to save cost of collection.

Mississippi is the only state to match the Negro population of the whole. The percentages are 49.3 Negroes and 49.1 whites.

District Health Winners To Be Chosen Friday

REAL THRIFTY 4-H CLUB WORKERS WILL COMPETE FOR DISTRICT HONORS

County winners in the 4-H Club Health contests sponsored by the county agent and the doctors, which is composed of the workers counties, will meet at the Canton school building Friday morning at 9 o'clock, to determine the district winners who will represent the district in the state contest to be held at Raleigh.

Each county has started a similar contest in various 4-H Clubs, one from the boys club and one from the girls club. In the girls 10-year-old boy and girl from each community was selected, and from this group the two holding the highest scores in the community contest were chosen as the county champions. Martha Wright and Thomas Hamlin were chosen for Beaverdam Township, and when the county contest was completed Martha Wright received the highest score in the entire county for the girls, and Rogers from the Crabtree section received the boys championship. These two will compete with two members from each of the other counties for the district title Friday morning, and the winners will go to Raleigh to compete for the honors the state champions who will go to the national contest.

INCREASE IN COUNTY TAX RATE IS INDICATED

Rate Next Year May Be 60 To 70 Cents Higher Says Report

DEMANDS HEAVY

Revaluations Of Property Incomplete In Two Townships

Present indications are that the tax rate of the county for next year will be increased by about forty or fifty cents, according to tentative figures compiled by J. T. Causey county auditor

Mr. Causey says the current work not exact details of the 1937-38 budget for submission to the board of commissioners until the tax office completes the new revaluations of property which is now underway.

According to John Mapes, assistant chief of the new revaluation, the work will be completed within two weeks. Mr. Mapes has been finished with the exception of Beaverdam and Pigeon townships. To date there is no way of telling what the assessed valuation will total, Mr. Hopps said. The valuation of last year was $14,000,000 raised at twenty-three and a half dollars, with a tax rate of $1.06.

Mr. Causey explained that two factors, that of the new revaluation, the work will be completed within two weeks and the tax rate will be touched with the exception of the state school appropriation. To date there is no way of telling what the assessed valuation will total, Mr. Hopps said. The valuation of last year was $14,000,000 raised at twenty-three and a half dollars, with a tax rate of $1.06.

To date there is no way of telling what the assessed valuation will total, Mr. Hopps said. The valuation of last year was $14,000,000 raised at twenty-three and a half dollars, with a tax rate of $1.06.

The state social security board has estimated that the county would be required to raise $47,500 for social security, but local officials believe that it will take $60,000 to meet the county

Under the plan, the state will provide the same amount as the county, and the federal government provides twice the sum. If the county raises $60,000 the state will provide a fourth, the county a fourth, and the federal government half.

Last year the board of commissioners reduced the tax rate 23 cents. In 1935 the rate was $1.24.

Of course, as Mr Causey explained, the total that the tax rate will be increased from forty to fifty cents is based on a general survey made by the board of commissioners and when the final part is adopted.

It was learned from good authority, that the new revaluation of property in the county will increase all about 25 per cent, and that only three townships have been completed, at both of it we will have a good idea as to how the increase will be. The three townships are Iron Duff, Clyde and Waynesville.

DEPUTY SHERIFF GETS SUSPENDED ROAD SENTENCE

Jack Blankenship Enters Guilty Plea In Assault Case

12 MONTH SENTENCE

Forfeits Right To Serve At Officer In Next Five Years

When Jack Blankenship, Pigeon township deputy sheriff, entered a plea of guilty to a charge of assault with a deadly weapon in Judge R. Hoyle Sink's court, before Judge Chester Morris in the same court early Monday morning he drew a 12 months road sentence and forfeited his privilege to serve as an officer of the law for the next five years.

Although the warrant originally charged Blankenship with an assault with a deadly weapon with intent to kill, through mutual agreement on the part of the prosecuting attorney, the defendant and the prosecuting attorney, T. A. Clark, the charge was reduced.

Continues For 3 Years

Blankenship's suspended sentence imposed by Judge Cogburn continues for five years. Judge Cogburn further cautioned him not to accompany law enforcement officers, not to carry a pistol or any concealed weapon, and not to be found guilty of any misdemeanor during the next five years.

Blankenship, who did not take the stand during the hearing, is said to have assaulted Magistrate Justice in the town hall here on the night of June 11 by striking him with his fist and then firing two pistol shots in the direction. Both bullets pierced into the pavement between the justice and himself.

Justice Can Testify

In offering testimony against the defendant, Magistrate Justice stated enough to ensure for the former deputy sheriff's arrest. Ralph Cole, Haywood county deputy sheriff, another witness to the shooting, took the stand and explained how the trouble arose. He stated that Blankenship, after striking the magistrate with his fist, immediately whipped out his revolver and fired twice above his head. When questioned by Blankenship's attorney, Deputy Cole admitted that Blankenship did have words over an arrest which was made shortly before.

Following the assault, Blankenship was placed under bond pending the hearing Monday

Attempt To Solve Traffic Problems, Improve Lighting

To Widen Streets, Open Alley-Way In Business District, Install More Lights, But Tornamed Will Be Sought Here Dealers To Close Sundays

Better lighting facilities on Main Street, the widening of street leading to North Main and new parking regulations are among the immediate improvements planned by the recently elected mayor and board of aldermen for the Town of Canton. Additional street lights will be placed along Main Street from the Southern railway depot to the intersection of Academy Street, and along Park Street from the intersection with Main Street to the river bridge. Lights will also be placed on the street leading to the North Canton school, and on Hyatt Avenue.

Street Widened

Considerable improvement has been made to the widening of the street at the intersection of North Main and Pigeon Street. A piece of land of that corner was donated by The Champion Paper and Fibre Company, and work of widening the street was begun several months ago, and before the present administration began. The work is almost ready for the pouring of the concrete, and plans of the present board are to widen the entire street to the intersection of Pennwood Street. This would greatly relieve the traffic congestion at the point where it is necessary for many motorist lose of any other place at town.

To Open Alley Way

Plans are also under consideration for the opening of an alley-way, every leading from Academy Street to connect with Park Street, between the residence of Dr. Russell Penland and the residence and the building being Main Street, to Adams Street.

No definite plans have been made for leading and unloading merchandise trucks on Main Street for general travel.

Parking Rules

An ordinance to regulate the parking of cars and motor cycles, passed its first reading of the meeting of the Board of Aldermen night. This ordinance provides that all cars shall park with the wheels about their places of business at 11:30 p. m. Saturday night, and no cars shall stand 1 p. m. Sundays and 1 p. m. Saturdays unless it affects church Sunday afternoon.

Parking Rules

Improved parking regulations will be effective within the next few weeks, it was stated. Newspaper the being prepared, and all streets will be marked with signs the new manner of the said effective

FIRE DAMAGES TWO BUILDINGS

Two buildings were damaged by fire last Sunday morning at 2 o'clock. The home of John Whitaker on Thompson street was damaged to the extent of $100, and the garage and several windows were broken.

At noon Wednesday the home of Harry Fisher on Hyatt Ave. suffered damages to the roof. Firemen answered to the alarm in both occasions, and the flames were quickly under control.

Dogs Go Under Quarantine Until First Of October

Notice has been issued to all persons who own dogs, that the time now until October first, they will be required to keep all dogs confined to their premises. Those found ranging will be promptly arrested. This action, was taken by the Mayor and Board of Aldermen of a protection against and probable danger of rabies. Each year during the summer months some dog affected who rabies is reported as being in the town where many children might be annoyed.

Orders are that dogs found ranging will be confiscated and destroyed.
